Safety Bib

SKU: FR202

*waterproof * industrial * commercial*

More than just waterproof, this bib pulls extra duty.

When you're involved in any safety situation, you want to be able to move quickly. Because they are so light, these bibs have great flexibility. But don't let the weight fool you. Made from Cordura nylon, they are very durable.

These are worn by everyone from lawn maintenance contractors on dark days to paramedics. More and more jobs are making this color along with the reflective striping a requirement. Sometimes, high visiblilty is simply a major part of on the job safety.
